OFFSIDE for U11 and U12: When a team is on the attack, the FIFA offside rule is in effect in the attacking one-third (1/3) of the field and shall be applied accordingly by the referee. If line-persons are used they only need take reference at the 1/ 3 field marking. **Cones** on the sideline WILL be needed to mark the 1/3 field limits.

GOAL KICK RETREAT LINE for U11 and U12: All players from the opposing team will retreat back behind the existing offside line marked by cones at the 1/3 mark of the field, which will be also known as the retreat line. Players from the opposing team may not pass the retreat line until the ball has been touched by the player receiving the goal kick. If the goal kick is kicked past the retreat line the ball is deemed in play as soon as it crosses the retreat line. In case of a violation of this rule the restart will be a retake of the goal kick.

November 4 – all teams are entered in LISA's Under-11 festival co-hosted by Prospect Lake.

1. **NO SHOWS:** Unless there is reasonable cause acceptable to LISA, a club may be assessed a fine each time one of its teams fails to show for a scheduled game.
2. **FIELD AVAILABILITY:** If the home club can not supply a field for a scheduled game to be played on its standard game day the designated visiting team should check with its club to see if they can host the game.
3. **GAME STATUS:** It is the responsibility of a team official to contact the opposition in order to make sure both teams are aware of the particulars relating to their game. **It does not matter which team initiates the contact.** This does not mean a decision must be made on field status at this point. The final decision on whether a field is open or closed might end up being made on game day.
4. **ARTIFICIAL SURFACES**: It is the responsibility of the home team to inform the opposition whenever they will be playing on an artificial surface. If footwear restrictions are in place the visiting team must be informed.
