District Development Centre

Mission Statement

Work with all clubs towards the common goal of providing Player Development within our region.

Goals

- Provide a competitive venue to evaluate players
- Help promote players to higher levels of Programs i.e. Provincial and National
- Build working partnerships with all clubs within Lower Island Soccer Association for Player Development programming

Program

Technical Directors of each Club will identify and recommend “Players of Distinction” into the DDC program. Only players that are recommended by Club Technical Directors are eligible.

The DDC will run under the BC Soccer Association’s curriculum and will be overseen by Lower Island Head Coach and DDC staff.

There is no cost to the player for this program

Up to 5 players from each age group and Club will be recommended
