

## **Super 'Y' Season 2005**

All Lower Island Soccer Association (*Victoria United*) Super 'Y' teams from ages U13 – U17 have been invited to participate in this year's BCSA sponsored "2006 Tournament of Champions."

The TOC takes place from May 19-21, 2006 at Newton Athletic Park in Surrey, BC. This is an international tournament committed to providing Canadian Provincial Teams, American ODP teams and international academy and all-star teams the chance to compete against the very best. This tournament also provides an opportunity for the U-16 and U-17 players, to be scouted for potential scholarships with University and College coaches from across North America. The Canadian Soccer Association will be using this tournament as a National Training Centre official scouting visit.

The TOC is limited exclusively to Provincial, Olympic Player Development teams, and international academy and all-star teams - a fantastic calibre of play to watch.

For more details on the Tournament of Champions please go to:
