# **LISA Cup Round 2 Draw Re-scheduling Notice for Nov. 18/19**

The quarter-final round (Round 2) of the fourth annual LISA Cup competition takes place the weekend of November 18/19. The complete Round 2 draw for the LISA Cup is attached. There are two pages to the draw. Also attached is the master re-scheduling notice for November 18/19 as a result of the draw. The re-scheduling notice is three pages in length. As those teams playing in the LISA Cup quarter-finals will not be available to play their league games as originally scheduled for November 18/19 league schedules for the weekend had to be revised.

The November 18/19 master re-scheduling notice is for Silver and Bronze leagues *only*. There are no changes to the Gold schedules as the Gold teams are not eligible to compete in the LISA Cup.

Please note that some teams that are still alive in the LISA Cup competition drew byes for the quarter-finals. Those teams have advanced to the semi-final round January 20/21. The teams that drew those byes are identified on the LISA Cup draw document but that does not mean they do not have a game to play November 18/19. It only means they do not have a LISA Cup match to play November 18/19. Those teams need to check the master re-scheduling document for November 18/19 as most of them will have a league game to play. That league game will either be an outstanding game, their league game originally scheduled for November 18/19 or a league game that they are to play in advance of the date for which it was originally scheduled.

To confirm, teams playing in the LISA Cup quarter-finals November 18/19 are to play their LISA Cup match instead of their originally-scheduled league game. Teams *not* playing in the LISA Cup quarter-finals (i.e. teams eliminated in the opening round and teams with LISA Cup byes) are to play the game listed in the master re-scheduling notice. Any league game originally scheduled for November 18/19 that is not played that weekend will become an outstanding game.

When looking for scores on the LISA website for your league games your games are identified by the date for which they were originally scheduled, not the date on which they were played. When reporting scores for outstanding games or games that LISA has re-scheduled in advance of their original date please include the original date of that game.

The master re-scheduling notice includes three leagues for which there are games to be played in advance of their original date. When the original date arrives those games will have already been played. So another re-scheduling notice that will take into account the games that have been played in advance will be distributed early in the week leading up to those weekends.

Those three leagues are:

**GIRLS U15 SILVER** – a December 9 game will be played Nov. 18 so another re-scheduling notice will be distributed early in the week leading up to December 9.

**GIRLS U16 SILVER** – a December 9 game will be played Nov. 18 so another re-scheduling notice will be distributed early in the week leading up to December 9.

**GIRLS U13 SILVER** – a December 16 game will be played Nov. 18 so another re-scheduling notice will be distributed early in the week leading up to December 16.

## **LISA CUP**

The LISA Cup competition is for U13 to U18 club teams playing in Silver or Bronze leagues within the Lower Island district. It is an additional cup competition; it does not take the place of the Lower Island District Cup or any other competition. Gold teams are not eligible for the LISA Cup. In addition, any team that enters the BCSA Provincial B Cup (or Provincial A Cup or Provincial Premier Cup) is also not eligible.

The LISA Cup will be played in single-elimination format (winners advance; losers are eliminated) throughout the Lower Island league season.

The 2017/18 LISA Cup competition is offered in the following age groups: Boys U13; Boys U14; Boys U16/15; Boys U18/17; Girls U13; Girls U14; Girls U16/15; and Girls U18/17.

Round 1 was played October 14/15. Round 2 (the quarter-finals) takes place the weekend of November 18/19. Round 3 (the semi-finals) is set for January 20/21; and

Round 4, the finals, for February 17/18. The finals will be at PISE and teams must be prepared to play either Saturday or Sunday.

The match-ups drawn for Round 2 (the quarter-finals) are listed in the attached document. That document will also be posted on the LISA website (Competitions > Cups > LISA Cup). The team listed first is the home team. These matches are to be played on your regular game day (divisions U13-U16 on Saturday, November 18, and divisions U17-U18 on Sunday, November 19).

### **THERE MUST BE A WINNER IN EACH LISA CUP MATCH**

If the score is tied at the end of regulation time **NO** extra time (i.e. overtime) will be played. At the end of regulation time if the score is tied then the result of the match will be determined by kicks from the penalty spot according to FIFA rules.

### **NO EXTRA TIME, NO REPLAYS – STRAIGHT TO PENALTIES**

**NO** youth-to-youth permits are allowed for cup competitions, including the LISA Cup.

If the host club can not supply a field to play a LISA Cup match as scheduled then the visiting team must contact their club to see if the visiting club can host the match. If the visiting club can host the match as scheduled then the teams must play the match at the field supplied by the visiting club.

Any LISA Cup match not played as scheduled becomes the responsibility of the two teams involved to make sure it is played prior to the semi-finals (January 20/21). However, if LISA decides to re-schedule an outstanding LISA Cup match it will be played as re-scheduled by LISA. If an outstanding LISA Cup match is not played in time for the next round then a coin toss conducted by LISA will determine which team advances to the next round.

All quarter-final winners and all bye teams will be re-entered into a random draw for the semi-finals.

**Remember, BOTH teams must report the score of their LISA Cup match to their score recorder** (listed on your league schedule on the LISA website). When reporting your score please identify it as a LISA Cup match.

If the match was decided by penalty kicks please report the tied score at the end of regulation and which team won the FIFA penalty shootout.

If you know how many PKs each team took and how many goals they scored with those PKs please include that data as well. Do not add the PK goals onto the goals that were scored during regulation; they should be reported separately.

*Best of luck to all teams competing in the LISA Cup*
