- This is a tight schedule so arrive at the park in plenty of time in order to start your game as scheduled.
- There will be very little, if any, warm-up time allowed on your game field.
- Designated home team (listed first) must wear a different-coloured kit than their opponent.
- Games tied at the end of regulation will go straight to the FIFA shootout (NO EXTRA TIME). Only those players on the field at the end of regulation can participate in the penalty kicks. No one, except for the players, is to go on the field at the final whistle.
- Only players and team officials are allowed on the artificial turf field. Everyone must use the boot cleaners before entering the turf. Only water allowed on the turf; no oranges.
- Immediately following your game *both* teams (all players and coaches) must report to the awards area for the presentation of the District Cup and match MVPs.
