Tier 3 only: If the score was even at the end of regulation time then extra time was played. If the score was even at the end of extra time the winner of the District Cup final was determined by a FIFA shootout. This year the Tier 3 District Cup competition doubled as the Lower Island playdowns for the Provincial B Cup. As such B.C. Soccer's B Cup rules apply. Those rules require extra time if the score is even at the end of regulation.

Tier 4 only: If the score was even at the end of regulation time then the winner of the Tier 4 final was determined by a FIFA shootout. No extra time was played.

*NOTE: The highest-finishing Provincial B Cup declared team in the Tier 3 Lower Island District Cup qualifies for the Island Invitational Cup. As all the Tier 3 District Cup winners did declare for the B Cup they will represent the Lower Island at the Island Invitational Cup, March 5/6. The Island Cup winner will represent the Vancouver Island region at the Provincial B Cup tournament in the summer. The Tier 4 District Cup is a competition solely unto itself; the winner does not advance to or qualify for any subsequent competition.
