

# **\*TIER 4 MASTER RE-SCHEDULING NOTICE**

**Nov. 25/26, December 2/3 & 9/10, 2023**

*\*This notice was updated NOV. 27/23 for GIRLS U17/18 T4 only*

This master re-scheduling notice is necessary to accommodate the Nov. 25/26 semi-finals in the Satterford Cup playdowns. This re-scheduling notice is only for Tier 4. There are no changes to the Tier 3 schedules.

Teams in the Satterford Cup semi-finals will play their semi-finals on their usual game day (Saturday or Sunday) *instead* of the league game that was originally scheduled for them.

Teams that have been eliminated from the Satterford Cup will play a league game as scheduled in this notice. If there is an odd number of teams then one team will have a bye (no game).

In some cases, in order to schedule league games, fixtures originally scheduled for a future date were brought forward to be “played in advance.” In doing so, when that “future date” arrives, that game will have already been played so the original schedule for that date will be revised.

If that future date is before the winter break then the re-scheduling for that date is included in this notice.

When there is re-scheduling it is very important that teams connect with their opponents during the week leading up to their weekend game to make sure everyone is aware of the re-scheduling.

**NOTE:** It is the responsibility of both teams in all league and cup matches to report the results of their games to their LISA score recorder *as soon as possible on the day of the game*. And if you do not play a scheduled game you must report why your game was not played.
